

ENVIRONMENTAL POLICY

We at KIARAH CHEMICALS, the manufacturer and distributor of cleaning chemicals for domestic and industrial use, are committed to preservation of the environment, where we shall strive to adhere to this policy in all aspects and at all stages of our business operations.

To conserve the environment we shall,

- Be committed to continual improvement through reduction and prevention of wastes; pollution of air, water and land contamination; and consumption of natural resources.
- Strive to comply with all environmental legislations, regulations and other requirements relevant to our activities, products and services.
- Promote environmental awareness amongst our employees through continuous education and training.
- Review and revise our objectives and achievement bi-annually.
- Communicate this policy with our employees.
- Ensure that this policy is made available to the interested parties when and where necessary
